For UCAR VP and AE

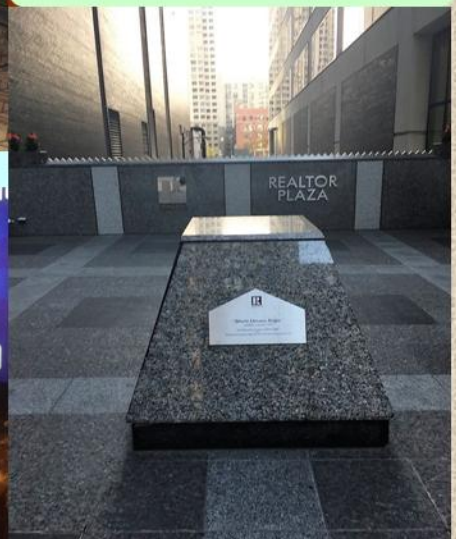

From the President...

Greetings to all! I personally want to thank all who attended our recent membership meeting. Your attendance and participation made our meeting a successful event. I hope you were able to glean and carry with you new knowledge and appreciation for your profession.

It is exciting to be able to get together with each other, and visit and network in this fast-paced world we live and work in!

Members, you also made UCAR's Book Drive a success, and donations will be presented to Marshville Elementary Library next week.

Congratulations to three of our members who have achieved *Emeritus Status*...40 years in the real estate business and helping in leadership of Union and Anson Counties Association of Realtors®! They are still going strong and continue to contribute to our industry! Emeritus members are rewarded by no longer being required to pay any dues, nor keep up with Code of Ethics.
