From the President...

I hope your year is off to a good and productive start. I wish for you a very profitable 2017 and your best year ever in Real Estate!

UCAR is off to a busy start! We had our first board meeting in January with great attendance and a fresh expectant vision moving forward. Our future is bright and our foundation is sure.

Carol Hinson, Angala Macy, Kelly Benton and myself attended Vision Quest in Winston Salem. We participated in various informative meetings which kept us hopping! It was wonderful to rub shoulders and make acquaintances from across our state. UCAR received recognition for our 2016 RPAC participation. Sooooo proud of UCAR!!!

I sense excitement in the air as we address the needs of today and plan for the tomorrows of 2017. I urge you to get involved. Make your voice and ideas/suggestions known. We, your leadership, would like to tap into the passion and ingenuity of you the members and backbone of UCAR. Nothing great

happens overnight. Rome was not built in a day! Let's join hands and make UCAR a shining example of what can be accomplished when people care.

Blessings, Mary
