From the President...

As we approach June, I wanted to bring the membership up to date on the year thus far. We have seen an increase in participation and attendance from our membership and I am thankful for this! Your Board of Directors has worked hard to keep a productive momentum this year. Our budget is approved, Compliance for Core Standards is well under way and on target, we have raised 47% of our Triple Crown PAC goal, your leaders have attended multiple state events, new members and affiliate members have joined, and there is much more to come in the second half of the year. We are hard at work to continue to strengthen our association.

Recently, Carol, Myron, Angala, and I attended legislative meetings in Raleigh. This was a very informative and interesting event as well as a wonderful opportunity to interact with our representatives. We also viewed the Heck House and were impressed with the structure and its location on a huge corner lot situated across from the Governor's Mansion.

Some committees could use more volunteers. Please contact the UCAR office at 704-776-4055 or ucarmonroenc@gmail.com if willing to help and get involved!

REMEMBER:

Code of Ethics is now on a 2-year cycle. Next deadline is December 2018.

Why not take it now in the convenience of your own home, on your own time, for free!

We will be hosting three more membership meetings this year: **August 23, October 18, and December 13**. Please mark your calendars and plan to attend! Also, we are tentatively hosting a trash pick up day and a book drive for the fall. Collection of books will be in August for a September delivery to one of our local schools. We would love for all of you to be a part of these great events that work to connect us to our community! You will see major changes to our web site at some point in the next year. We are very excited about improving our web site and making it user friendly for you and the public. Please continue to reach out to me if you have suggestions or questions. I am here for you and look forward to our continued progress as an association. *Blessings, Mary*

March Membership Meeting was a blast! Inspiring words from our President Mary Ross, important info on Realtor Safety and conceal-carry by Stony Rushing, demonstration and give-away of flashlight stun gun by Angala Macy and an historic video by NAR. Plus, new members were inducted, Affiliates gave prizes, and a tasty buffet was enjoyed!
